

- FOR IMMEDIATE RELEASE-

## **Bienvenidos! Darim Vision Welcomes Videocam as new Sales Partner for Latin America**

**Pleasanton, CA and Miami, FL** – Darim Vision Corp, a leader in the design, engineering and manufacture of innovative, high quality digital video products for the broadcast, streaming and security markets, is pleased to announce a new partnership agreement with VIDEOCAM CORPORATION of Miami, Florida. Effective immediately, VIDEOCAM CORPORATION will assume the role of Darim Vision's Master Distributor for Latin America, including Mexico, the Caribbean, Central America and South America.

"We are delighted to elevate our relationship with VIDEOCAM", says Young Dae Kim, Darim CEO. "We have had success with Videocam over the years as one of our resellers and now we look forward to Videocam leading our increase in market share throughout Latin America."

"VIDEOCAM CORPORATION is proud to be joining with DARIM VISION in this partnership. The advanced technology and reasonable costs solutions of Darim products will be key factors of our success." Says Juan Carlos Carrillo, President of Videocam Corporation.

VIDEOCAM CORPORATION offers a wide range of products and services that include consulting, design, detail engineering, equipment procurement, installation & integration, technical training, documentation, post sales support and project management. With over 30 years experience in the Latin American market, their customers include major television stations, production and postproduction companies, universities, radio stations, medical, military and government institutions. They may be reached at 305-592-2034 or on the web at [www.videocamcorp.com](http://www.videocamcorp.com).

Darim Vision Corp. is headquartered in Pleasanton, CA and may be reached at 888-GET-MPEG or on the web
